

I do not want a LPFM to take over the current FM translator service. I listen to KLOVE radio in Albuquerque, NM on 90.5. It is my understanding that the LPFM would force KLOVE off the air. I would be devastated to not be able to listen to KLOVE. I appreciate the positive and encouraging messages of KLOVE and KLOVE helps to keep my focus on being positive and encouraging to others. KLOVE is a great influence on our community as it presents wholesome values and positive listening for the entire family. Please do not replace FM translators like this with LPFM.
